RE:     United States v. Ryder Finney  
Magistrate No. 12-314M

Dear Mr. Kunz::

This defendant appeared before Chief Magistrate Judge Wells on February 29 for an initial appearance on an arrest warrant from the Central District of California. At the time, it appeared that the defendant might want to plead guilty in this district under Rule 20, Fed. R. Crim. P. That does not seem to be the case. Please list this matter for a removal hearing in the near future.

Very truly yours,

RE: United States v. Ryder Finney  
Magistrate No. 12-314M

Dear Mr. Kunz:

Earlier today I wrote to you asking that this case be listed for a removal hearing because it did not look like a Rule 20 plea agreement would be entered. I was apparently too pessimistic. We probably will be able to work this matter out. Please withdraw my request for a listing for a removal hearing.
